1. If you could spend a day in the field learning about one aspect of the natural landscape, what would you choose and why? (Geology, soils, plants, animals, human land use, other?)

2. What background do you have in natural history?

3. We are working to develop a diverse group of interested citizens for this program. How do you bring diversity to the cohort? Please include a description of the role that you usually see yourself playing on a team.

4. Why are you interested in the Vermont Master Naturalist South Burlington Program?

5. List conservation issues in South Burlington that you would be interested in focusing on.

6. If your list includes conservation education, what age group do you like teaching? (School age, young adults, adults, seniors, other?) Why?

7. How do you envision yourself using the Vermont Master Naturalist training to engage the South Burlington community?

8. Are you available on the five following Sundays: September 8, 2019; October 27, 2019; February 9, 2020; March 29, 2020; and May 17, 2020? The program typically runs from 10 a.m. to 4 p.m. on each date.
